Dear Roundtable Members,

We are sending a short notice from the Roundtable - our thoughts are with you and we hope that you are doing as well as possible in this challenging time for tourism stakeholders.

The Roundtable coordination office is currently working on setting up internal processes and tools, such as this new format for our member mailings. If you have topics, examples from your work or other resources that you would like to share with the Roundtable network, please let us know, and we will be happy to distribute them. We are also very happy to receive feedback and comments on the new format and information that you would like to receive with the member mailings.

Below you find current information regarding the Roundtable Symposium and AGM planning 2020, as well as some up-to-date resources that might be an interesting read/ view.

All the best,  
Jara and Katharina

### **Update: Symposium & AGM 2020 as online events**

As travels are still restricted and the Covid-19 crisis is ongoing in so many ways, we would like to inform you that **the Roundtable Symposium and AGM 2020 will take place as online events** this year.

The scheduled dates will remain:

- **Symposium: Monday, 28 September** (day event, with possibility to log in to specific sessions)
- **AGM: Tuesday, 29 September** (morning)

We hope that this online format will allow many of you to participate.

We are currently planning and adapting the Symposium concept to create an interesting and valuable online-event for you, that also takes into account the present situation and Covid-19 challenges. Although being sad not to meet you in person for networking and exchange, we are planning to use an interactive online format and see it as a possibility to involve more international stakeholders and to reach out to a broader audience with our

agenda. We will keep you updated and send out the invitation soon.
