Betreff: Roundtable News: next steps HRIA project, Vision-Mission, location Symposium/AGM 2020
Anlagen: Summary_Workshop_HRIA_22Oct2019_RTmembers.pdf

Dear Members,

Maybe you already found some time to take a look at the [HRIA tool](#)...

Today, I would like to give you some updates regarding the **follow-up of the on-site assessment** as second part of the overall project:

- Please find attached the **summary and presentation of the workshop that we conducted on 22 October in Berlin** to present the project and discuss first follow-up measures of the on-site assessment.
- focusright is currently working on the report and recommendations on follow-up measures. We will let you know in the beginning of 2020 about the results and recommendations, and discuss further about first measures and how we can proceed.
- The overall project with the HRIA tool and the on-site assessment will be **presented also during our Roundtable panel at ITB 2020 in Berlin: on Wednesday, 4 March from 3:00-4:00 pm on the big stage in hall 4.1**. Please already save this date.

During the board retreat in Hamburg on 28 and 29 October 2019, board members finalised the **vision and mission of the Roundtable Human Rights in Tourism**.

- Thank you very much for your valuable inputs and contributions to this process! The vision and mission are now communicated on the [RT website](#):
 - **Vision:** *We are the most impactful multi stakeholder initiative to promote the rights of people in tourism.*
 - **Mission:** *Through cooperation we build a trusted network of different stakeholders in tourism. We provide access to expertise, initiate pilot projects and develop learning materials. We support the implementation of human rights due diligence in accordance with the UN Guiding Principles within tourism companies, the supply chain and in destinations.*
- An overview about “What I bring in” and “What I take out” for each stakeholder group will be soon available in the internal member section as basis for communication and acquisition of new members.
- It would be great to add your statements on “What I take out”/motivation for your RT membership to our **quote section on the website**. Please send me a short quote (max. 260 signs) and a picture, if not done yet. This is a very important step to show what we are doing and to grow!

I am also happy to announce the location for our **Roundtable Symposium and AGM 2020** (on Thursday, 25 June 2020 & Friday, 26 June 2020): It will take place **in Oerlikon (close to Zurich / Zurich airport) in Switzerland**.

Thank you to our Swiss members akte, DER Touristik Suisse and SRV for hosting us! The venue and hotel options will be communicated soon.

If you are interested in getting active to prepare the symposium with our Swiss members and me, please get in touch.

Best regards and a good week for all of you

Jara
